VOMPC Season Opener

Singles 4-Ball Event

We're opening the season with a blast of an event! No excuses here folks. Head to head competition and no partners to blame.

New this year is the **Casual Division** designed for players who can think of fun-ner things to do than get pounded by the likes of champion Mr. Tino Lofario or Mr. Raymond Neilson. The Casual Division will be decided by playing 3 games before lunch and with the 2 highest scoring players facing off for a Final Match after a lovely repast. Hmmm, I might just sign up for that one....

Wasn't it Shakespeare that said, "It's better to have played...than not to have played at all?"
